Mission

SCO seek to serve Christ by developing opportunities for students in South Africa to be transformed by Him into fruitful Christians for today's world, nurturing them into a deep transforming relationship with God & equipping them for a life of service.

Aims

2. To nurture students into a deep, transforming relationship with God which will profoundly change the way they think, live and relate to others and to equip them for a life of service.
3. To urge students to commit themselves to the extension of God's kingdom throughout the world by evangelistic witness, by responding with compassion to the needs of society, by working for peace, righteousness and justice.
